Fuller Center Christmas Store

For the past nine years, The Fuller Center has hosted their Christmas store to provide an opportunity for low-income families to purchase new, donated toys. To stock the store, they need 1,000 new toys and gifts for shoppers to purchase. Gifts should cost between $5 and $25 and will be sold for approximately 25% of the original cost. There is a need for gifts for all ages of children, from babies to toddlers up to teenagers. Parents and guardians can come to the store and are allowed to purchase up to three gifts per child, allowing them the dignity of choosing gifts for their family.
